Federation Newsletter

Acorns - Pirate Day

Our Acorns across the Federation this week had a Pirate day, where they came in to school dressed as Pirates to learn about the history of pirates in past and of course to walk the Plank and go on a treasure trail, all of the children (and adults!) had a really enjoyable day.

Stoke St Michael School Garden

We would like to thank Wainwrights for the amazing fence that they have put up around our new pond and gardening area. Gardening club have been planting tomato's, herbs and vegetables. We would also like to thank our Parent volunteers for building the beetle bank and of course 40 for the Federation. Our wildflower seeds are starting to grow and we have even found that the pond has a frog! This new area is looking great and we hope the children will enjoy this area. Thank you

Bluebells

Our Bluebells classes across the Federation have had a great week as well, they have been outside enjoying the sunshine and making Chapatis to link in with their learning about the African continent.

Congratulations

First Communion

Congratulations to Vellina on having her first communion on Sunday 21stst May. She also read a prayer in English to the congregation.

Wells Cathedral Coronation choir

Well done to all the children who took part in the Coronation Choir on Saturday evening, the children from both schools sang beautifully and were amazing.

Photos - Stoke St Michael School

The photos have been sent home this week with the children. Please can you ensure all orders are placed by **Friday 9th June**. We have used a different company from the one that we used back in the Autumn term, feedback is always welcome.

Photos - Croscombe C of E School

We will be sending out the photo's after half term for you to view and purchase. We have used a different company from the one that we used back in the Autumn term, feedback is always welcome.

Shepton Mallet Carnival

We have been asked as a Federation to design posters for the Carnival, these are being collected from the school, so we will need all entries brought into school on **Tuesday 8th June**, with the School name, the child's name and year group written on the back. Many Thanks

Ducks - Stoke St Michael

We have been asked by the owner to please request that children do not feed the ducks on the way to and from school. We need to respect this wish as animals need to be fed certain foods that their owners feed them and understand. - Thank you

And Finally

As we approach the amazing celebration of music that is The Glastonbury Festival at Pilton and children are practicing hard for musical productions, it is a good time to recognise the importance of music in our lives. Music is food for the soul:

Heavenly God

Thank you for music to lift our spirits

Music to soothe our souls

Music to match our moods

Every day let us 'sing' with the 'music' of our positive values

Help us share the joyful noise of wisdom, hope, community and dignity

Let us be united in the song of these values, of your love

Amen

Wishing you all an enjoyable half term break and fingers crossed for nice weather.
