Dear Parent/carer

I just wanted to email and offer some on-going support during the coming weeks of uncertainty. If you want to get in touch with me during this time, please feel free to email me any queries or concerns on [easfaw@educ.somerset.gov.uk](mailto:easfaw@educ.somerset.gov.uk) and I will try my best to help.

I understand that for any year 6 children transition to secondary is going to be a main concern and I will be in touch with staff at Whitstone / Norton Hill and the Blue School on an on-going basis to see if there is any extra support or work that we can provide to help with this if schools remain closed for a longer period.

I also wanted to let you know about an additional resource for spelling / reading and times tables that we have been able to access for free during the time that schools are closed. This is online and offers short, regular tasks.

Children in year 2 and above can log in at the following address:

<https://dyslexiagold.co.uk/Account/Login>

Their user name is their first name.

The password is Croscombe for all children registered.

Hope you find this useful. If there is a problem or you can't get on please let me know. Although the website is designed for children with dyslexia, it can help all children.

Best wishes,

Emma Asfaw
