

## Use of the PE and Sport Grant Sport

### Stoke St Michael Primary School

The school received £16,516.50 of sport premium funding in the academic year 2022-23. It was spent as follows:

<b>Action</b>	<b>Aim</b>	<b>Evaluation</b>
To employ specialist coaches (Evo Sports) to teach a wide range of sports in stimulating and effective ways across the school.	Improve all students' attitudes to sport.  Enable teachers and TA's to learn better techniques and approaches to PE teaching. (TA's will be present in all the lessons taken by Sports coaches)	Staff responded positively to the work of the coaches. They report that their own skills and knowledge have been enhanced through the programme.
To pay for transport and other costs associated with playing sports	Enable new opportunities for sport.	Children took part in a greater range of festivals organised by Downside School.
To train and implement play leaders at play times	To ensure a playful, interactive and active play and lunch times.	Children enjoy the play leader games. Children are becoming play leaders themselves and implementing team sports.
To provide greater range of large an interesting sports and play equipment	Purchase a new sports equipment	Coaches and Children enjoy and use the new equipment

### 2023-2024

The school will again receive funding specifically for sports in the new academic year.

This year's action plan is as follows:

<b>Action</b>	<b>Aim</b>
To continue to employ sports coaches from outside the school to provide specialist teaching and after school clubs.	Children will experience high quality teaching, leading to more enjoyment of sport and greater

	<p>participation rates.</p> <p>Teachers will learn from the model of good coaching supplied.</p>
To employ specialist secondary school teacher to deliver teacher CPD.	Teachers to feel more confident in delivering specific PE areas
To attend a range of sporting festivals through the year	To ensure a greater number of children represent the school and participation rates increase
To fund transport and organisation costs for inter-schools competitive events.	Increase participation rates in competitive sports.
