Key Stage 2 Home Learning

08th January 2020

Dear Parents and Carers,

Welcome to Home Learning. We are really looking forward to seeing your children on Google Classroom. Each Year group will have an allocated time during each day and a follow up session if they need additional support where we can answer any questions/queries to do with their learning that day.

For Monday 11th January, please ensure that your child is ready to click on the Google Classroom link at 9.30am. The class teacher will welcome all the children, register them and agree the golden rules for our new virtual classrooms. Each day we will be delivering Maths and English and Phonics lessons along with elements of the broader curriculum.

With guidance from your teacher, your child will be learning from 9.30am to 10.30am and will then have a break. Their learning will continue from 11am to 12 midday. The class teacher may not be constantly on line with your child during the learning period. The Class teacher will be online from 1.30 for the children to check in again. The Teacher will check on how the morning learning has gone and set a task for the afternoon.

All learning for the day will be posted onto Google Classroom. Please submit photos of your child's completed learning via Tapestry. We will send you a weekly schedule of the planned learning on Monday 11th January.

Please aim to have the children ready to join us for Google classroom at the correct allocated time with the microphone on mute. Outside of these times they are activities the children can do and these are detailed in the Daily Set Learning. We are here to support your child through this new learning experience so please contact us via the School office via email if you have any problems.

Thank you for your support.

Bill Moore and Mel Vincent
Co-Headteachers

Let Your Light Shine
