Dear Parents and Carers,

03.07.20

I would like to express my gratitude in your patience whilst we act on the latest advice from the government. As you know we are experiencing unprecedented times. Usually, we would have had settling in sessions in our Acoms indoors and outdoors classrooms for our new school starter children during the month of July.

However, as the children have missed their last few months at Little Roots we would like to offer them the opportunity to come back for a two hour session at Little Roots Pre-School this side of the summer holidays.

If your child did not already attend Little Roots Pre-School and is due to begin in Reception at Stoke St Michael Primary School this September 2020 they are also very welcome to attend this session.

Please see the allocated session below:

| Little Roots Bubble | Week Beginning: 13/07/20 | |
|-------------------------------------|--|---------------------|
| Day | Year Group | Time |
| Tuesday 14th July | 4 year olds September 2020 School Starters | 9:30 – 11:30 |

The above sessions will NOT change the key worker, Year 6 or class bubbles that are already attending the schools. For social distancing reasons we will ensure the bubbles are kept separated at all times, however, please be aware that we cannot always guarantee that the children within the bubbles will keep to the 2 metres distancing rule.

We are planning a period of transition for your children in the September term and anticipate they will have a period of time during September where they will be attending Little Roots in the lead up to transitioning into the Reception classroom at school. We will be in touch soon with the final details.

We are very much looking forward to seeing you all!
With very best wishes,

Mel Vincent
Acting Head of School

Maria Braithwaite
Little Roots Pre-School Supervisor

Let Your Light Shine
