

English

Talk for Writing: **Jason and the Golden Fleece** We will be looking at the features of quest stories and will learn our model example before planning and writing our own quest story.

Non fiction focus: persuasive writing

Handwriting: cursive looped joining practice

Spelling: weekly spellings set in groups. Please support spelling practice at home.

Reading

Children will read in guided reading sessions once a week. They will also read on a 1:1 basis in school to support their progression through the reading bands. Please listen to your child read at home daily to ensure your child's progress.

Physical

PE: Wednesdays & Fridays

In athletics, children will continue to perform and practice for potential sports day events. They will practice and learn about both track and field events as well as traditional sports day activities

In Cricket lessons, children will continue to keep score, run between wickets, make informed decisions whether to 'run' or 'stay'. They will practice fielding and batting skills.

Please ensure your child attends school in their PE kit on Wednesdays & Fridays. No change of clothes is necessary but layers are a good idea to peel off or add on depending on the weather.

PE kit: White T-shirt, navy tracksuit, trainers.

Oak Class LKS2
Summer Term 2

Ancient Greece

Welcome back!

I hope you have enjoyed the Half Term Holiday! This term we will continue with our Ancient Greece topic, Year 3 have a couple of weeks more of Forest school and we hope to have a Sports Day if possible! Please check your Parent Pay emails for details. As ever, thank you for all the support you are giving to help your child with their learning! Please keep in touch! 😊

Art and Design

Art and Design:

We didn't get a chance to investigate printing techniques last term so hope to do so this term as well as find out about famous printers such as William Morris.

PHSE

This term we will be thinking about our dreams and goals and what steps we can make to achieve them. We will also explore the changes we are anticipating as we get ready for our new classes in September.

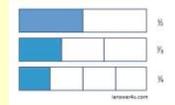

Our 'Learning Gem Power' focus this term is:

Topaz Power

Mathematics

We will be working through our Power Maths programme to cover the following units this half term as well as recapping some of the work from earlier this year where needed:

Year 3

Unit 12: Geometry Angles and properties of shapes – turns and angles, right angles, comparing angles, line drawing, 2D and 3D shapes.

Recap Multiplication and Division

Year 4

Unit 15: Geometry Angles and properties of shapes – identifying angles, comparing and ordering angles, regular and irregular shapes, classifying triangles, comparing quadrilaterals, facts about shapes and symmetry

Recap Multiplication and Division

Please support your child's Doodle Maths and times table learning at home 😊

Understanding of the World

HISTORY AND GEOGRAPHY:

Ancient Greece

The Tokyo Olympics are still set to go ahead in July 2021 but how did it all begin back in Ancient Greece? We will be finding out more about the Olympics, then and now! How does modern Greece compare to Ancient Greece? We will look at the similarities and differences.

SCIENCE

Its electric!

We will be learning about electricity, conduction, circuits and safety and we will create our own electric powered models. We may need a few boxes and milk bottle tops!

MUSIC

This term we will be exploring what makes a good piece of music, melody, pitch, harmony and our own personal preferences! How does music make us feel and what is its purpose?
