

## Communication and Language

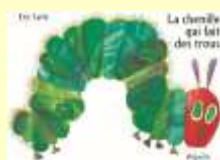

### **Learning objectives for this half term:**

- To plan and write persuasive leaflets for a market garden.
- To plan, write and debate a persuasive argument.
- To read and write spring poetry.

### **Grammar lessons:**

- Model verbs and adverbs.
- Apostrophes for omission and contraction.
- Use of colons, semi colons and dashes.

### **Reading:**

This term, we will continue to read 'The Secret Garden' by Frances Hodgson Burnett, exploring themes such as: nature, friendship and character transformation. Children will read 1:1 with an adult and in shared reading sessions with a focus on inference and deduction. Regular reading at home will lead to exciting rainbow rewards! ☺

### **MFL:**

We will be revising how to order some food in a café and then learning how to talk about our family, friends and farm animals! We will also read along with La Chenille qui fait des trous as well as other fun French stories.

### **P.E.**

P.E. will continue on a Monday and a Wednesday afternoon this term. Thank you for allowing your child to arrive at school wearing P.E. kit, ready for this lesson. This term, pupils will be applying the concepts of movement and dynamism to rugby. They will be learning the rules of rugby and applying them to small sided games.

## **Owl Class. UKS2. Spring Term II. 2024.**

### **'Sow, Grow and Farm.'**

## **Welcome back!**

This term, Owl Class will be continuing with their farm themed learning, finding out where their food comes from and why. Additionally, we aim to sow and grow our own. Please continue to help your child to engage with their times tables and reading. Hearing them read is unbeatable!

Many thanks for your continued support!

## **PSRHE**

This term's learning theme is 'Healthy Me' when we will be learning - what makes a healthy lifestyle, including education about various health risks.

**Our learning Gem Power focus this term is:**

## **Amethyst**

### **Art, Design & Technology:**

In art lessons, we will be learning about land art while looking at some sculptures and photographs by Andy Goldsworthy. We will experiment in this medium as individuals as well as in groups. In D.T, we will find out about 'food seasonality' before selecting some seasonal fruit or vegetables to cook something delicious.

## **Mathematics**

Congratulations to all of the pupils who have learnt their times tables off by heart!

### **Year 5.**

#### **Key Instant Recall Facts Focus:**

- I can identify prime numbers up to 20.

#### **Main Lesson Focus:**

- Decimals and percentages.
- Perimeter and area.
- Statistics.

### **Year 6**

#### **Key Instant Recall Facts Focus:**

- I can identify prime numbers up to 50.

#### **Main Lesson Focus:**

- Fractions, decimals and percentages.
- Area, perimeter and volume.
- Statistics.

The lessons will involve fluency, reasoning and problem solving challenges.

## **Understanding of the World**

### **Geography:**

#### **Sow, Grow and Farm.**

This term we will be investigating the features and characteristics of land use in agricultural regions across the world. We will be learning about conservation, biodiversity, eco-systems and food miles before debating the rights and wrongs of importing our meals.

### **History:**

In History, we will be finding out about allotments in the U.K. and how the government encouraged people to have them to support food rationing during WWII.

### **Science:**

This term, we will learn about the human life cycle, including growth to old age and human reproduction.
