9th July 2021

Dear Parents and Carers,

As we near the end of term, time seems to be speeding up! There is so much going on, in school and out, and we are enjoying all the preparations for the end of term including Sports Day practices, planning the leavers assemblies and parties, and of course the all the excitement of the Euro's!

We are aware that as the country is beginning to 'open-up' following the Covid-19 lockdown that some of you are frustrated by not being able to attend the activities planned for the last week of term. We know that this is a disappointment but we want to ensure that all our children and staff get to the end of term Covid-Free and that your summer holidays are not affected by the rise in cases around the county. We also continue to take advice from Somerset County Council regarding parents coming on site and this remains the guidance from County. Lets hope that when we reopen in September that we will be able to return to business as usual!

**Stoke Summer Street Trail**

Stoke PTA would like to thank everyone who came and took part our Summer Street Trail. It was a fantastic event and the weather was very kind to us! The community support was also amazing and we managed to raise a staggering £1010.77!

Thank you for your continued support. Stoke PTA
