Dear Parents and Carers,

We have received a number of questions regarding the wider opening of Stoke St Michael and the reopening of Croscombe.

In response to Central Government's directive that childcare centres and primary schools should reopen to some pre-school children, Reception, Year 1 and Year 6 pupils; we are working on the federation's capacity to allow pupils to return on June 1st.

The current provision for and the definition of Critical Worker and Vulnerable children will remain the same up to June 1st.

We are very aware of the importance of the safety of our pupils, staff, families and our wider community; all our endeavours will be informed by this primary responsibility.

We are acting on the guidance we receive from the relevant authorities and are still at an early stage in terms of exploring and finding solutions for the challenges we face in bringing more children back safely into our settings.

We will communicate our plan with you all when it is fully developed; most likely week beginning Monday 18th.

Thank you for your support and understanding.
