# Guess Who...

Barbie is starring as Clara in her own version of the classic *Nutcracker* ballet. She receives a splendid nutcracker as a gift from her favourite aunt. But then, one evening, she wakes up to find that the Nutcracker has come to life and is battling against the sinister Mouse King. After the Mouse King's spell shrinks Clara, she and the Nutcracker set out on a spectacular adventure to find the Sugarplum Princess, who has the power to undo the evil spell.

The *Nutcracker* is one of the best-loved ballets of all time and, in this special adaptation, Barbie brings her own special magic to this timeless and enchanting story.

# Guess who's dreaming of adventures?...

"We are at a unique stage in our history. Never before have we had such an awareness of what we are doing to the planet, and never before have we had the power to do something about that."

"Surely we all have a responsibility to care for our Blue Planet. The future of humanity and indeed, all life on earth, now depends on us."

Sir David Attenborough
